

Brain B-Balance[™]

Neuro Balance Formula

This professional strength B vitamin formula is essential in today's stress-filled world.

Brain B-Balance is a comprehensive high potency B complex designed specifically to support your **MOOD • MIND • MEMORY**. It features the most bioavailable active forms of essential B vitamins for optimal nervous system support. These active forms are used in a process in our body known as methylation. The methylation process is vital and fundamental for optimal neurological function. Brain B Balance uses high potency doses designed to quickly and effectively begin supporting your **MOOD • MIND • MEMORY**.

With clinically meaningful amounts of key B vitamins, you are sure to notice a lift in **MOOD • MIND • MEMORY**. It is perfect for those with fatigue, poor mood, focus issues, insomnia, anxiety, elevated homocysteine, and blood sugar issues.

Featured Ingredients:

- 5-MTHF**

CUSTOMERS ARE SAYING:

If I could give this product 6-stars then I would. It's like taking caffeine without the jitteriness. I stayed alert and focused for the remainder of the day. It gives a good feeling having ample amounts of energy. Similar products I've tried before gave energy but didn't quite give the focus I needed to tackle any task unlike this supplement. I'm pleased with my results and I recommend it.

—Steve

Brain B balance has done just what it was intended to do, bring me back into balance. **Love this product and would highly recommend** to anyone who is looking for a high quality effective B complex.

—Sharron S

Wow, this is one of those products that I wish I would have found along time ago. I run my own business and found myself completely stressed out, anxious and not sleeping.

Within a matter of days I felt a major benefit...awesome product!

—Paul

I have been looking for a complete B complex with adequate amounts and in their active form... Brain B Balance is that and more! **Love this product it works!!**

—SBS

I like the ingredients — they have well documented health properties. **Easy to swallow and no scent** to them. Recommend for general brain health
